

# BE THE BEST DIVER

## DIVE THE GREEN FINS WAY!

CORALS ARE VERY  
**FRAGILE ANIMALS**

THEY ARE CLOSELY  
RELATED TO  
**JELLYFISH**

IT TAKES A  
LONG TIME  
FOR THEM TO  
GROW. SOME  
CORALS ARE  
**10,000**  
YEARS OLD!

THEY CAN  
**CUT**  
OR  
**STING**  
YOUR HANDS  
OR FEET

**WATCH YOUR FINS AND BOUYANCY AT ALL TIMES!**  
KICKING THE CORALS CAN EASILY BREAK OR DAMAGE THEM  
**LOOK, BUT NEVER TOUCH!**
